SKILLS

- **Languages:** C++, Java, C, Python
- **Data Science:** Pandas, NumPy, Scikit-Learn, Data Preprocessing, Exploratory Data Analysis (EDA), ML
- **Tools/Platforms:** MySQL, MongoDB, Git, GitHub,
- **Soft Skills:** Problem-Solving, Adaptability, Curiosity

PROJECTS

Intrusion Detection System using Machine Learning (*GitHub*) May 2025

- Built a machine learning–based IDS to classify network traffic using the **NSL-KDD dataset**.
- Performed **data preprocessing, feature scaling, and exploratory data analysis** using Python libraries.Designed for extensibility with customizable disk size and head movement constraints
- Trained a **Random Forest model achieving 99.76% accuracy** for intrusion detection.

Tech Stack: Python, Pandas, Scikit-Learn, Streamlit, Matplotlib

Machine Learning Model Training (*GitHub*) October 2025

- Implemented **Logistic Regression** and **Random Forest** for classification.
- Applied data preprocessing, feature selection, and validation techniques to ensure model robustness
- Analysed performance using **accuracy, precision, recall, and F1-score metrics**.

Tech Stack: Python, Pandas, Scikit-Learn

Real-Time Chat Application (*GitHub*) January 2026

- Built a secure real-time chat application with user authentication and role-based access.
- Implemented one-to-one and group messaging with instant delivery using **Web-Sockets.**
- Added **online status, typing indicators**, and **message timestamps** to enhance user experience.

Tech Stack: React, Node.js, Express.js, MongoDB

TRAINING

- Training in Machine Learning | *CipherSchools* | *Certificate* June 2025 – July 2025

  Successfully completed a 6-week structured training program. Actively participated in all sessions, applied core machine learning concepts, and completed practical assignments through consistent performance and dedication.

CERTIFICATES

- Git and GitHub | Cipher Schools | *Certificate* June 2025 – July 2025
- Social Networks | *NPTEL* | *Certificate* January 2025 – April 2025

ACHIEVEMENTS

- 4-star rating in Java October 2025

  Earned a 4-star rating in Java on HackerRank
- Solved 90+ coding problems across DSA and Competitive Programming April 2025

  Achieved a 1495 rating on LeetCode

EDUCATION

- Lovely Professional University Phagwara, Punjab, IN

  Bachelor of Technology – Computer Science and Engineering; ***CGPA: 8.2*** *Since August 2023*
- Doon Valley Public School Nalagarh, Himachal Pradesh

  Intermediate, ***Percentage: 83.6*** *April 2022 – March 2023*
